

Hole Plug

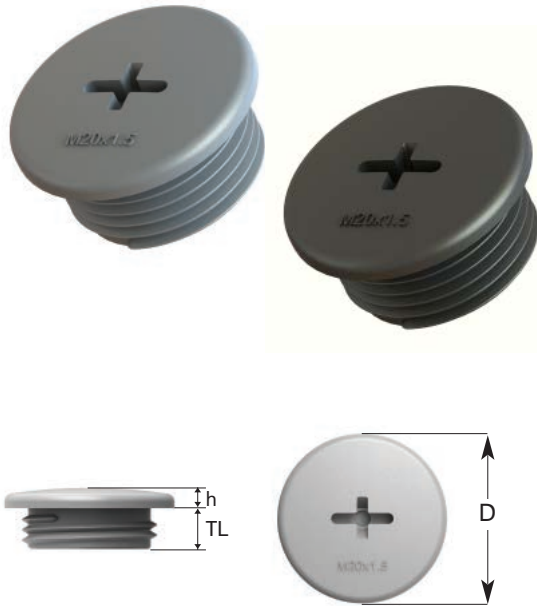

Round or hex polyamide hole plugs, black or gray

Metric & PG
Thread

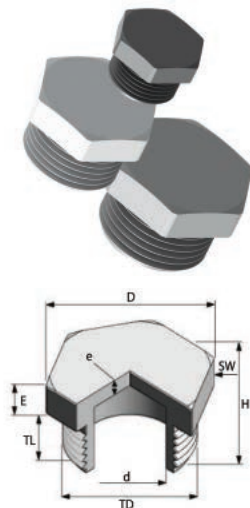

Hole plugs are used where a pre-existing threaded hole exists with no cable that needs to be closed and protected. SAB offers a round and hex top Polyamide 6 product in gray or black & PG and metric thread.

Technical data:

Material:	Polyamide 6
Temperature range:	
permanent:	-20°C to +100°C
intermittent:	-40°C to +150°C
Flammability:	V2 (according to UL 94)
